

froguts

A Bio-eLearning Co.

Save \$ thousands \$ with Froguts!

Froguts saves thousands of dollars over the cost of actual dissections and equipment each year. And those savings continue year after year.

- With Froguts, you can save \$3,014 in Year 1!
- Use Froguts for 3 years, and your savings will be \$5,358!

Here are the specifics courtesy of our friends at Animalearn.

Scenario: 3 classes of 30 students each (90 students); working in pairs (45 total dissections)

	Actual animal dissection	
	1 year	3 year
Frog @\$11.70	\$527	\$1,580
Fetal Pig @ \$21.00	\$945	\$2,835
Dissection set (45@\$26.45)	\$1,190	\$1,190
Aluminum Dissection Pan Set (45@\$14.30)	\$650	\$650
Total	\$3,312.00	\$6,255.00

Dissection cost estimates courtesy of [Animalearn](#).
 Animal costs are averaged.
 Dissection set and pans are considered a one-time cost.

Total cost for frog and fetal pig dissections, 1 year: \$3,312

Total cost for frog and fetal pig dissections, 3 years: \$6,255

Here's how you SAVE!

Total cost for Froguts subscription, 1 year: \$299
 Total cost for Froguts subscription, 3 years: \$897
